BRYAN, TEXAS, SEPTEMBER 5, '09.

It is an error to speak of money paid  
 for education as money spent; it is  
 money invested and pays better dividends  
 than any other possible investment.

And Perry, too, has nailed the stars  
 and stripes to the north pole. But he  
 is too late. It is the irony of fate  
 that the man whom he despised and  
 hunted with relentless should snatch  
 the honors out of his grasp.

It looks like the contest between  
 Cook and Perry for first honor in  
 discovering the pole is going to be a  
 repetition of the Sampson-Schley con-  
 test. Perry's jealousy finds  
 its outlet in Cook's and Cook's  
 magnanimity is equal to Schley's.

Save the *Fort Worth Star-Telegram*:  
 "Fort Worth promises to have a feed-  
 ers and breeders show pretty soon."  
 Nobody cares particularly to see the  
 feeders and breeders since they prob-  
 ably look pretty much like other men.  
 It is the feed and the bred that we are  
 interested in.

In one of the oldest and most ar-  
 chitectural capitals of Europe, kings, prin-  
 ces, scientists and philosophers are  
 pushing, scrounging and almost fight-  
 ing for first place in their eagerness  
 to do honor to a man dressed like a  
 tramp, a man hitherto unknown to  
 fame. It is a tribute to achievement.  
 The world defies success but is in-  
 different to failure.

Labor day was celebrated this year  
 with more enthusiasm, pomp and cir-  
 cumstance than ever before. In all  
 the principal cities the soldiers of in-  
 dustry marched in processions, many  
 of which were miles in length, while  
 acclaiming thousands hailed them as  
 heroes in the greatest war that ever  
 was waged. There is hope for our  
 country and for humanity while labor  
 is thus honored.

William J. Bryan will speak in Dal-  
 las next Tuesday on Democracy and  
 the Tariff. Mr. Bryan has made many  
 speeches in Texas but this one is  
 awaited with peculiar interest because  
 it is expected that the great Demo-  
 cratic leader will pay his respects to Sen-  
 ator Bailey and the Democratic con-  
 gressmen who repudiate the Denver  
 platform. The battle is on and it is  
 up to every Democrat to decide for  
 himself: "Under which banner?"

## GRAVEYARDS HOME OF LIES

Beaumont Preacher Thinks They Over  
 "Bull the Angel Market."

Special to the Eagle.

Beaumont, Texas, Sept. 5.—Rev. Dr.  
 C. A. Ridley of the First Baptist  
 church, in the course of a sermon here  
 declared that entirely too many an-  
 gels are recorded in the cemetery in  
 Beaumont as well as in other places  
 throughout this broad land.

"Cemeteries are the biggest liars in  
 the world," asserted the divine, "and  
 if a historian were to rely upon epitaphs  
 for data he would be up against  
 it good and strong."

"Yes, sir," continued Dr. Ridley,  
 "everybody is an angel dropped from  
 the skies, if epitaphs are to be accept-  
 ed as gospel truth, but the trouble  
 is, epitaphs too often tell lies."

Dr. Ridley questioned the general  
 veracity of epitaphs merely as an in-  
 cident in the course of a sermon ar-  
 ranging infidels for their unbelief.  
 And that reminds The Eagle of the  
 epitaph placed on the tombstone of  
 "Texas Jack" when that worthy died  
 in west Texas some years ago. The  
 epitaph was no doubt gospel truth and  
 read as follows: "Here lies the body  
 of Texas Jack, he was a good man, he  
 done his damndest, angels could do no  
 more."

### U. D. C. MEETING.

L. S. Ross Chapter, U. D. C. will  
 meet on Friday Sept. 10th at 4:30 p.  
 m. with Mrs. F. I. Garth. The meet-  
 ing promises to be one of more than  
 usual interest, as the program is ar-  
 ranged in honor of "Mother Goodlet,"  
 the noble woman, who organized the  
 first chapter of the United Daughters  
 of the Confederacy. This organization  
 was made Sept. 10th, 1894, and the an-  
 niversary of this date is one, dear to  
 the heart of every Southern woman.  
 At the recent convention of U. D. C's,  
 at Tyler it was decided to make this  
 day a memorable one in the South, and  
 hence this splendid program, arranged  
 for Friday afternoon. Two most be-  
 loved ex-members, Mrs. A. P. Ander-  
 son and Mrs. West, have sent mes-  
 sages to the chapter which will be read.  
 Every member of the local chapter is  
 urged to be present.

 noon to play the crackerjack team of  
 that little village. Harvey has greatly  
 strengthened her team of late and  
 the "Owls" were fearful that the mes-  
 sage that came into their roost to-  
 night would be one of defeat.

Tomorrow Harvey will return the  
 visit and play the wise ones at the  
 West Side park in this city.

### IRON BRIDGE REPAIRED.

Commissioner P. H. Arrington was  
 in the city today and stated to the  
 reporter that he had just come in  
 from the iron bridge at Jones' ferry  
 where some repairs had been made.  
 An entirely new floor was put in and  
 the work was completed today. The  
 floor of the bridge is over 600 feet  
 in length.

### INSTANT RELIEF FROM DREAD CATARRH.

Why don't you get rid of that nasty,  
 humiliating disease catarrh.  
 You can do it if you really want to.  
 But you can't cure catarrh in a few  
 days, that's an utter impossibility, be-  
 cause there is no remedy known that  
 will kill the catarrh germs in that  
 short time.

But you can cure catarrh if you will  
 have a little patience and breathe in  
 Hyomei (pronounced High-o-mei) three  
 or four times a day.

Hyomei cures catarrh by killing the  
 germs because it gets where the germs  
 are.

Hyomei is a powerful antiseptic and  
 germ killer air; it is made from the  
 fluid extracted from the eucalyptus  
 trees of Australia where catarrh is un-  
 known.

It gives relief instantly, stops hawk-  
 ing in a few days and is guaranteed  
 by E. J. Jenkins to cure catarrh, as-  
 thma, croup and bronchitis or money  
 back. A complete outfit, including  
 inhaler costs only \$1.00 and extra bot-  
 tles can be procured for 50 cents.

"Hyomei certainly saved my life and  
 I accord it the credit which it deserves  
 and merits. There is nothing too  
 strong for me to say regarding Hyo-  
 mei."—Mrs. Ada Hopkins, 8 Cutter  
 Ave., Coldwater, Mich., August 22,  
 1908.

### HANDICAPPED.

This is the Case With Men Bryan Peo-  
 ple

Too many Bryan citizens are handi-  
 capped with a bad back. The unceas-  
 ing pain causes constant misery, mak-  
 ing work a burden and stooping or  
 lifting an impossibility. The back  
 aches at night, preventing refreshing  
 rest and in the morning is stiff and  
 lame. Plasters and liniments may  
 give relief but cannot reach the cause.  
 To eliminate the pains and aches you  
 must cure the kidneys.

Doan's kidney pills cure sick kid-  
 ney's and cure them permanently. Can  
 you doubt Bryan evidence.

Mrs. S. E. Beard, Bryan, Texas,  
 says: "Four years ago I learned of  
 the value of Doan's Kidney Pills in  
 cases of kidney trouble. At that time  
 I was bothered by irregular passages  
 of the kidney secretions and was com-  
 pelled to seek relief. Doan's Kidney  
 Pills, procured at Emmell & Maloney's  
 drug store came to my aid and proved  
 their superiority over all other kidney  
 remedies I had tried by disposing of  
 my trouble."

For sale by all dealers. Price 25  
 cents. Foster-Milburn Co., Buffalo, N.  
 Y., sole agents for the United States.  
 Remember the name—Doan's—and  
 take no other.

### FREE WITH A \$3.00 PURCHASE

SEPTEMBER IS A BUSY MONTH for thrifty housewives. Sewing is in full swing. That's  
 why we selected Shears for our Souvenir.

### THE QUALITY OF THESE SHEARS

First class and they are a wonderful improvement over the old fashioned shears. The Tension Spring device doubles their usefulness  
 and does away with the need of re-sharpening. By simply tightening or loosening the Tension Screw the blades can be so adjusted as  
 to cut anything from the thinnest fabric to heavy woolen. Furthermore a guarantee certificate goes with every pair, agreeing that "If  
 his pair of shears BREAKS or in any way becomes defective within FIVE years from date of purchase, it will be replaced with a NEW  
 pair without cost." The shears are regular full 8-inch size and will be appreciated by any woman.

### HOW TO GET THE SHEARS FREE!

We have bought 5 gross 720 pairs—of the shears and they are to be given away to the first 720 women who visit our store during  
 this month. Provided your purchases amounts to \$3.00. These purchases need not be made the first day you call, but can be made  
 at different times during the month. You simply save your cash checks until you have as much as \$3.00 worth and then turn them in  
 TOGETHER WITH THIS CARD and get your Shears absolutely free.

Please don't get the impression that we are giving  
 you these Shears to induce you to buy goods of us.  
 It's not that. We depend upon the merit of our mer-  
 chandise and our store service to sell you what you  
 want. We don't want your money if you don't want  
 the goods. That's ONE difference between this store  
 and others.
